Raindancer

Savor a delectable lunch today at the **Raindancer Restaurant** in Amsterdam, NY. Opened in 1980, the Raindancer is a family-run business that has grown considerably during the past 34 years. In an effort to stay current and better serve the community, the restaurant has had numerous additions, renovations and creative concepts that were implemented to keep things fresh. This constant improvement, combined with the old-fashioned notion of ample portions, quality ingredients, and top-notch service has kept the Raindancer at the top of everyone’s dining list throughout the years. **Meal choices** today are 1) **Lemon Chicken Francaise** 2) **Broiled Scrod** or 3) **Open Hot Roast Beef Sandwich**. All entrees include a tossed salad, fresh baked rolls, chefs choice of potato & vegetable and coffee or tea. Following lunch we will take a short ride down Rte 5 to the **Schenectady Distilling Co. & 36 Locks Tasting Room** for a tour & tasting. **Everyone will receive a shot glass to take home!** We will depart from the distillery at approximately 3pm with an arrival at St. Pius X at 3:45pm.
